

Directions to the Ronald McDonald House - Children's Mercy

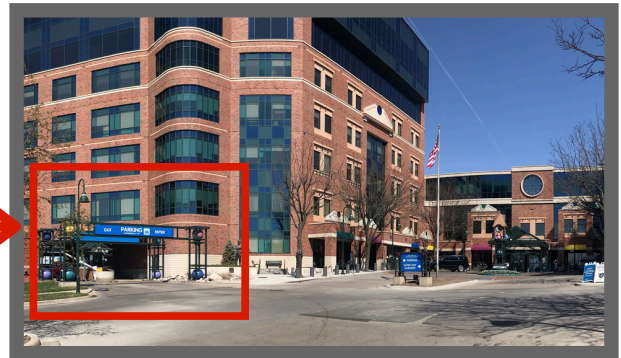

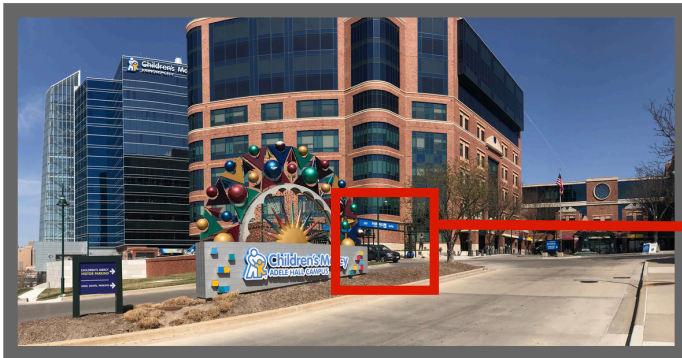

You will be going to the Ronald McDonald House on the second floor of Children's Mercy Hospital's Adele Hall Campus.

(2401 Gillham Road Kansas City MO 64108)

Questions about directions? Call us at 816-234-1533

♥ When pulling up to the main entrance of the hospital, there is a circle drive. **If you need help unloading your car, give us a call at (816-234-1533) and we can meet you with a cart!**

Continue to the parking garage, to park your vehicle and let the security guard at the window know that you are going to the Ronald McDonald House to serve a meal. (There are 4 levels of parking!)

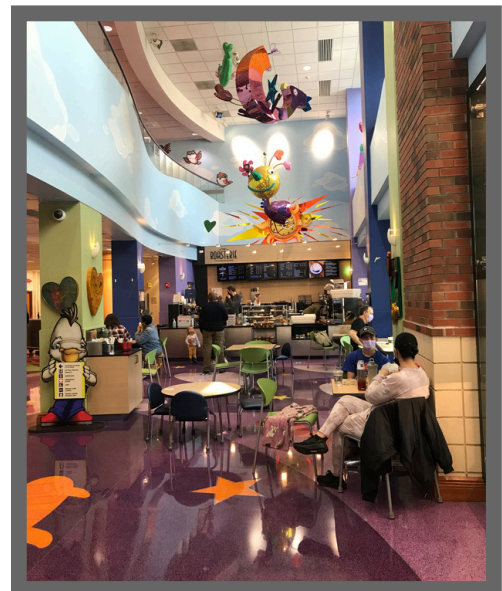

♥ While you are driving around to park, you might see blue and green wagons near the elevators. Please do not use these as they are limited and need to be saved for patient/family use only. **If you have trouble unloading with your group, give us a call at (816-234-1533) and we can help!**

♥ When you arrive at the ground floor (G), pass the "Information" and "Patient Access" desks on your left and head for The Roasterie Café that sits next to the security desks.

♥ Once your entire group has arrived at The Roasterie Café, please call the Family Room (816-234-1533) and they will come to escort you up.

- **All adults must have their ID's to pass through the security background check and access the rest of the hospital.**
- All group members must be symptom free of all contagious illness.

"The Roasterie" Café inside of Children's Mercy Hospital.
